

2024-2025- updated 8/6/2024

Welcome to the Bellevue Public Schools Foundation Kids' Time Program!

Kids' Time is the Bellevue Public Schools Foundation's before-and-after school child care program for students enrolled in kindergarten through sixth grade. Children receive quality child care in each of Bellevue's 15 elementary schools under the guidance of trained caregivers in a structured and fun atmosphere.

Proceeds from Kids' Time help support Bellevue Public Schools Foundation projects contributing to the education and success of BPS students.

Kids' Time meets the Nebraska Department of Health and Human Services standards for licensing child care centers under the Child Care Licensing Act. The Child Care Licensing Act requires the DHHS to develop regulations providing for the safety and well-being of students served in licensed programs. These regulations cover the employment standards and training requirements for staff, the inspection of physical sites and the on-going inspection of all sites.

It is the responsibility of each parent to read and understand all the information in the parent handbook prior to the first day of Kids' Time.

Licensing

Kids' Time is a school-aged program licensed by the State of Nebraska Department of Health And Human Services. Kids' Time sites are routinely visited through the year by a Child Care Inspection Specialist appointed by Nebraska Department of Health And Human Services to ensure all regulations are met and sustained on a daily basis in order to maintain licensing compliance with the State of Nebraska. Kids' Time maintains the school-age child to adult ratio of 15:1, as dictated by state regulations.

Nothing is more important than a dedicated, experienced, and well-trained staff. Staff is selected on their experience, training and personal commitment to the needs of children. Background checks including the The Child and Adult Protective Service Registry, sex offender, Nebraska State Patrol and local checks are required for all staff of the Bellevue Public Schools Foundation before-and-after school program. Additionally anyone over the age of 18 must pass an FBI fingerprint background check before employment begins. All staff members are required to have annual training including CPR/First Aid.

Children Served

The Bellevue Public Schools Foundation Kids' Time program does not discriminate in our admission policies based on race, sex, religion, place of national origin, or mental abilities. Child care is eligible for "school age" children enrolled in kindergarten through sixth grade who are enrolled in Bellevue Public Schools. "School age" starts the first day of kindergarten offered at all elementary schools and goes through sixth grade. All parents are required to complete a checklist to ensure Kids' Time is able to meet your child's needs within a one staff member to 15 children ratio.

Kids' Time cannot provide one-on-one supervision during operating hours. Care of all children must allow Kids' Time to operate within the state defined guidelines of a 1:15 ratio. All children enrolled in Kids' Time must meet each of the following criteria:

- Must be currently enrolled in the Bellevue Public Schools.
- Must be "school age" enrolled in grades kindergarten - sixth.
- Must be able to move to and from the toilet in the restroom without assistance.
- Must have age-appropriate hygiene skills. (i.e. restroom cleanliness, washing hands and face)
- Must have age-appropriate eating skills. (i.e. uses a spoon, self-serves from a cup or spoon.)
- Must have age-appropriate dressing skills. (i.e. removes/puts on coat, boots, hat, re-dresses self after restroom use)
- Must have physical endurance to interact or participate in indoor and outdoor play.
- Must be able to adhere to the discipline policy including indoor and outdoor rules.

Kids' Time reserves the right to restrict admission or continued enrollment on a case-by-case basis.

Release of a Child: Custody/Divorce/Unauthorized Individuals

It is our policy to release a child to either parent unless we have a copy of a court order/divorce decree prohibiting one of the parents from having custody of the child. Children are also eligible to be released to authorized individuals as permitted by the parent having custodial rights on a given day as stated in the court order/divorce decree. For the safety of your child, it is imperative that this information is supplied and discussed with your child's site leader. The Bellevue Public Schools Foundation will not assume responsibility for children released to unauthorized individuals if we do not have the proper documentation on file.

HEALTH AND SAFETY

Medication Administration

Designated Kids' Time staff members complete training in medication administration. Medications will be kept at the Kids' Time site. Parents must complete a Medication Administration Form, separate from the school nurse form prior to attending Kids' Time. This form can be found on the SchoolCare Works Parent Portal under documents.

Parents will provide prior written permission and instructions for any prescription or non-prescription medication from a physician to staff to give or apply that medication. Medication will be provided in original containers with the child's name, written instructions for storage and administration clearly labeled. Kids' Time staff will maintain a record of the time and amount of medication given or applied. Medication will be returned to the parent when no longer needed. Any medical conditions requiring medical equipment and or conditions such as seizures, allergies, asthma, diabetes requiring medication must have an action plan completed by a physician.

Any staff who gives or applies medication must do so in accordance with the "Five Rights" as set out in the Medication Aide Act.

The Five Rights are:

- The right drug
- The right recipient
- In the right dose
- By the right route
- At the right time

Exclusion Due to Illness

Bellevue Public Schools Foundation Kids' Time uses the guidance of the DHHS for Conditions that will exclude students from Kids' Time are: fever above 100.5 degrees, diarrhea, vomiting, unexplained or contagious skin conditions or eye infections or any condition that requires one on one care. Parents will be notified to come pick up students if they display any of these symptoms.

An ill child must be picked up from the program within one hour of being notified by a Kids' Time staff member. If the child is not picked up within the time frame we will call emergency contacts who are listed on the child registration form. If we are unable to contact the primary guardian or a caregiver we will contact emergency services.

As a licensed childcare facility we are required to notify others that a child has been exposed to or diagnosed with an illness or contagious illness/ disease the site leader knows if your child has been diagnosed with a contagious illness. A notice will be posted to all families within the site, letting them know their child has been exposed to a contagious illness/disease . All notifications will not include the child's name or reference to them when notification is made.

Please also read the COVID-19 policy guidelines. These guidelines are updated as health directives from local and state health officials change. You can find the most recent policy online at www.bps-foundation.org under the Kids' Time tab. We partner with BPS District on all COVID-19 and all other illnesses practices and procedures so long as it aligns with our Nebraska DHHS School Age License.

Absent Child Policy

Please notify us if your child will be absent from Kids' Time. If a child is scheduled to attend Kids' Time after school and the child does not arrive, nor has a parent/guardian notified Kids' Time staff of an absence, the following procedures will be followed:

1. Check with the school secretary to see if the child has left school or has gone home ill.
2. Check the classroom and with the classroom teacher.

3. Call the parent or emergency contact numbers on the enrollment form.
4. If unable to reach the parent or emergency contact numbers, the proper authorities will be contacted for assistance.

Minor and Serious Accidents

Serious Injuries:

In case of an accident causing serious injury at Bellevue Public School Kids' Time, emergency first aid will be administered, and parents or guardians will be notified. If the Site Director is unable to reach the parent or guardian, emergency phone numbers will be used. An emergency unit will be called when needed. These units are dispatched by city or county officials according to the location of the school and are usually required to take patients to the nearest hospital. A staff member would accompany any child being transported to a local hospital and remain with the child until the parent or guardian has arrived. At the time of enrollment parents give the Bellevue Public School Kids' Time permission to transport and treat in the event a medical emergency arises. An accident report outlining the care and procedures administered to the child will be completed and placed in the child's file. A copy will also be given to the parent and the Foundation office. The accident report must be signed by the parent or guardian before the child will be allowed to return to BPSF Kids' Time. Parents or Guardians are responsible for any expenses incurred due to an injury.

Minor Accidents:

Every effort will be made to provide proper care of a child in case of injury. Scrapes, scratches, and bruises caused from everyday circumstances will be treated on-site and will not be the cause of an accident report. In many instances, the application of an ice pack, cleaning the wound or band aid is used more for the soothing of a child than out of medical need. If you prefer to know of each occurrence that a child is given a band aid or ice pack, please make this clear in writing to the Site Director.

Should there be injuries caused by the aggressive behavior of another child or reason for additional concern from staff, an incident report will be filled out and a parent/guardian will be notified. We can not discuss details regarding the outcome of other students.

Mandated Reporting

According to Nebraska law, school employees and all other persons are required to notify Child Protective Services and law enforcement officials if they suspect a child has been subject to abuse or neglect to include but not limited to:

- 1.) Endangerment of physical or mental health.
- 2.) Deprivation of necessary food, clothing, shelter, or care.
- 3.) Minor child six years of age or younger left unattended in a motor vehicle.
- 4.) Suspected sexual abuse and/or exposure to sexual situations/materials.

A copy of the Incident Report will be given to the parent/guardian and the child may not return to the Kids' Time program until the parent/guardian signs the report. After three (3) Incident Reports, the child may be removed from the Kids' Time program.

Parents may not address or speak to children other than their own and will need to leave the investigating and communication to Bellevue Public Schools staff.

The school facilities are the property of the Bellevue Public Schools District. Damage or misuse of any part of the facility will not be allowed.

Student Development Programming/Activities/Field Trips

Kids' Time provides safe, convenient and fun programming for students outside of the school day. It is the goal of the Kids' Time program to provide opportunities to expand the learning for children through engaging activities. Activities which provide for language and social development while interacting with other children and adults are offered each day. Including individual and group planned activities either inside or outside. Students are also given opportunities for quiet times, rest periods and time to read or work on homework.

Kids' Time staff will post an overview of the weekly activities during the school year and on non-school days.

FEES AND PAYMENT SCHEDULE

Enrollment is based on full-time or part-time attendance. The fee structure is divided into 19 payments occurring on a bi-weekly basis. The annual fee structure accommodates for weeks less than 5 days that includes one payment collected during the months of December and May. **Tuition is based on enrollment, not attendance or the number of days between deduction dates.**

Split Accounts

Kids' time is able to split accounts. In order to do this, the primary caregiver must register the child and then reach out to the Program Director, Danielle Moss to split the account.

Tuition payments are due when billed. A grace period of seven days will be granted for unpaid tuition payments. Following seven days, tuition will be considered late. If two consecutive tuition payments are missed, and not paid within the following seven days, the account will be considered delinquent resulting in possible suspension from the program and your account will be placed for collection with Credit Bureau Services. If an account is sent to collections there will be a \$30.00 processing fee added to the account. Due to the agreement with Credit Bureau Services, if an account is placed in full collections Credit Bureau Services will not allow Bellevue Public Schools Foundation Kids' Time to accept payment and any payment made will need to be made to Credit Bureau Services. For more information from Credit Bureau Services, please contact them at 1-800-642-9719. Kids' Time understands from time to time our families have financial hardships. To avoid late fees, suspension, and possible collection activities contact the Program Director immediately to set up a temporary payment arrangement. Accounts must be paid in full in order to register for the following session or consolidated care date.

Kids' Time does not accept cash at the school site, in addition, school secretaries will not accept payment for Kids' Time. Payment must be made online via the SchoolCare Works parent portal. If you are not able to utilize the online payment portal with credit/debit cards, please contact Danielle Moss, Kids' Time Program Director to make payment arrangements.

Subsidy Accounts

The parent/guardian registering the child is ultimately responsible for payment regardless of parenting agreements or Title XX authorization. The enrollment fee is \$40.0. Subsidy accounts should request DHHS to have the enrollment fee paid to Kids' Time. All subsidy accounts who need to enroll must reach out to the site leader to register and receive the check unlock code. Families using Title XX will use the subsidy bill rate, hourly or daily. Any family co-pays must be paid in accordance with Kids' Time policies and applied at the beginning of each month. If the co-pay goes to the youngest child placed in another center the parent/guardian is responsible for providing the receipt to the Site Leader. Parents are responsible for payment until authorizations are submitted to site leaders, and any time the authorization lapses.

Breakfast during consolidation

Breakfast will be available each day through the BPS Food Service program for an additional fee of \$1.75 during consolidation. The fee will be manually added to your account. Subsidy accounts are responsible for this fee. These fees are separate from the Bellevue Public Schools District lunch fees. Breakfast is served 8am-8:30am

Consolidation

Non-school days (consolidated care) will be billed at the time of registration, \$44.00 per day. Consolidated registration will be available on the SchoolCare Works (ProCare) parent portal or parent app. Dates and locations are subject to change.

School Year Program

Tuition rates are reviewed annually during the second semester of the school year. Kids' Time is billed on a two-week payment schedule (see designated billing schedule); payment is due upon receipt. Parents will receive a billing notice via email with instructions to pay online. Any family with an outstanding bill for more than two billing cycles (four weeks) will be ineligible to attend Kids' Time until payment is made.

Rates for the school year of 2025-2026, starting in June 2025, will be determined during the second semester of the school year. Registration for fall care will open in March to families currently enrolled in the Kids' Time.

The intent of our fee structure is to break down the annual cost of tuition into regularly scheduled equal payments. This will be divided into 19 payments.

Registration for summer consolidated care will open early spring to families currently enrolled in the Kids' Time.

Return Payment

A \$30.00 fee will be assessed to your account if the Bellevue Public Schools Foundation receives notification of a return payment due to insufficient funds from your financial institution.

If the Bellevue Public Schools Foundation receives notification that your payment has been returned, a letter will be sent by the Kids' Time site leader notifying you of the return. Payment can then be made at the Welcome Center by the due date specified in the letter or the amount will be added with the next scheduled deduction via the parent portal.

If two (2) consecutive payments are returned, a second letter will be sent by the site leader notifying you of the return. Upon notification, your child(ren) will be suspended effective immediately. You will be given one week beginning with the date of suspension to rectify your account. The Bellevue Public Schools Foundation reserves the right to hold families responsible for all charges accruing during any period of time in which a child is suspended from the Kids' Time program. If the Bellevue Public Schools Foundation receives three (3) returned payments due to insufficient funds, or invalid or closed account notifications, within one school year, your child may be removed from the Kids' Time Program.

Credit card payments are accepted online via the SchoolCare Works (ProCare) Parent Portal. Failure to rectify your account in full within one week following the date of suspension may result in immediate removal from Kids' Time. Parents/Guardians will be responsible for any collection costs or charges incurred. These charges will be added to the outstanding balance on their account. Should the child be removed from the program, and the account is paid in full, the child will be eligible for re-enrollment into the Kids' Time program provided the school does not have a wait list, and a \$40.00 enrollment fee per family is submitted. Updating or Completion of new registration paperwork may be required.

Title XX, Sponsorships, Subsidy and Scholarships

Families receiving financial assistance such as Title XX will use the subsidy rate. Any family co-pays must be paid in accordance with Kids' Time policies. Payment is due by the seventh day of each month. Parents are responsible for payment until authorizations are submitted to site leaders and any time the authorization lapses. It is the parent/guardian's responsibility to maintain subsidy authorization. DHHS Title XX currently pays a portion of annual enrollment fees and the remaining balance will be waived. Families receiving any financial assistance including DHHS Title XX will be responsible for paying the Summer Camp Activity fee as this is not covered by subsidy. It is the responsibility of the parent to communicate any changes in a parent's Title XX and/or sponsorship status to the site leader. All locations have subsidy provider Identification numbers listed below in the contact information.

Enrollment and Registration Procedures for Current Families in the Kids' Time Program

Re-registration is held each year in the spring for current families wanting to register for summer and the upcoming school year. Families who are currently in the Kids' Time program always have priority so long as they have pre-registered by the registration deadline each year. Siblings who will be entering kindergarten in the fall are also given priority for the upcoming school year. In order for siblings to receive priority, they must be registered with the child

currently attending Kids' Time during the re-registration period. Priority is still given if the current child will be attending middle school for the upcoming school year.

Families who do not register by the deadline will be forfeiting their spot in the Kids' Time program. In order for the student(s) to re-register, the site must have open positions.

Tuition/Registration

Kids' Time is now using SchoolCare Works (ProCare) for online registration and tuition payments. **To enroll in Kids' Time, families will register online by clicking on the Parent Portal button found at bps-foundation.org/kids-time-parentportal or by logging into their current SchoolCare Works account.** All registration information for each child will be completed online. Enrollment cannot be completed until the \$40.00 enrollment fee is paid.

With the assistance of the Bellevue Public Schools Foundation Kids' Time site leaders, the program director monitors and offers assistance to parents in order to manage all Kids' Time accounts.

All parents with children enrolled in Kids' Time will need to maintain a SchoolCare Works (ProCare) parent portal account in order to make automatic tuition payments and access account information. Once you are registered for Kids' Time, instructions will be emailed to the address on record with details on how to set up the online parent portal account. During registration, you will be asked to set up a username and password, which is how you will sign in to the parent portal – please keep this information.

The SchoolCare Works (ProCare) parent portal account is a convenient tool that offers easy access for parents to review and edit personal contact information, authorized pick up contacts, view tuition invoices and transactions, make online payments and stay updated on Kids' Time news and enroll in upcoming programs.

Once your parent portal account is set up, **parents can access the online parent portal at bps-foundation.org by clicking on the BILL PAY button at the top of the page.**

In addition, families will also have access to the SchoolCare Works (ProCare) mobile app Insite Parent. The Insite Parent app allows parents to digitally check in and out of Kids' Time as well as stay connected to review and edit contact information, view tuition postings and transactions, make online payments and more. Access to the mobile app is offered only after the online parent portal account is set up.

Download the SchoolCare Works mobile app called **Insite Parent** for smartphones and devices from the app store of your choice. You will need to first login to your SchoolCare Works account at <https://connect.schoolcareworks.com/login.jsp> and confirm your contact details. Once completed you will select the account tab. Next to the Authentication Code you will see a 4 digit number. This is tied to your child site and will be the number you enter to connect you to that location when you download the **Insite Parent** App.

Once current families have a SchoolCare Works (ProCare) account, enrolling in future Kids' Time programs can be completed via the parent portal. Families will need to re-register for Kids' Time each summer and fall for the upcoming school year.

Parents will use the SchoolCare Works (ProCare) parent portal to make automatic tuition payments online using a convenient auto-pay feature using a credit card or ACH transfer, which is set up at the time of enrollment. Kids' Time is unable to accept cash or check payments. Parents will receive an emailed invoice bi-weekly on Mondays based on the payment schedule each semester and will always be for upcoming weeks. Charges for non-school days (Consolidated Care) are billed at the time of registration. Families will receive a statement when tuition is paid.

Withdrawal from the Kids' Time program (By the Foundation):

Reasonable steps will be taken to avoid termination; however, if we can no longer provide care, we will attempt every effort to give a two-week notice. The two-week notice is null and void if the child is being removed for disciplinary reasons or additional reason at the discretion of the Program Director. Kids' Time may terminate services for any of the following reasons (but is not limited to):

- Failure to honor obligations listed in the Kids' Time Parent Handbook, or in any written policies provided.
- Any actions by parents or children that adversely affect the program.
- Offensive language used by parent/guardian or staff harassment.
- Lack of parental cooperation.
- Failure to complete online enrollment and any additional required documentation.
- Inability to meet the child's needs without additional staff.
- Failure to maintain a current account balance.

Transfer Requests:

Any request for a transfer to a different Kids' Time site, must be provided in writing on a 'Change of Status Form' available on the Parent Portal under documents and from the school site leader. Parents should give two-week notice in order to transfer during the school year to another site. The registered parent must have a balance of zero owed at the current site before a transfer will be approved. Granting transfer requests are subject to availability.

Thank you for choosing Bellevue Public Schools Foundation Kids' Time!
